

Manufacturers Representative Services

Cadvabglobal services exclusively represent some of the world's leading quality OEM manufacturers from Europe, China, USA, Mexico, Canada and UAE for the Oil & Gas industry, Marine, Automotive, Industrial plants and Agriculture. We actually source for products by industry according to client's specification and request.

We strive to ensure integrity and longevity with our customers, Principals and Distributors.

Cadvabglobal services recognises that neglect or failure in field mounted electronic instrumentation or equipment protection could seriously affect safety and the operation of a complete system for industrial power plants including Oil Refineries, Petrochemical, Offshore rigs, Automotives, and Ships. Operating and maintenance costs could be reduced considerably by providing adequate protection for the equipments

We currently represent:

EMCS Industries Ltd. www.marelco.ca (Anti-Fouling and Anti-corrosion and Protection in Sea water Systems)

☒ EMCS Industries is a division of Ramsay Group and the inventor and manufacturer of MARELO system

☒ Ramsay Group is one of British Columbia's largest custom fabrication and manufacturing companies

☒ MARELCO has been protecting sea water systems for over 50 years

☒ MARELCO eliminates marine growth and reduces corrosion in any type of salt water environment

☒ MARELCO is used in: Ships, Oil & Gas Platforms and Industrial Power plants

☒ MARELCO is a patented impressed current system employing specially alloyed anodes that can be designed and manufactured to fit client's need.

☒ MARELCO is Lloyds and ABS approved

☒ MARELCO can be installed in larger Ships Sea Chests or similar holding tanks

☒ EMCS can design and build a MARELCO Treatment Tank system for a smaller vessel

PHASE III Inc. www.phaseiii.com and www.oilsponge.com (Oil Spill Cleaner & degreaser and also known as Oil sponge)

Visit the oil sponge website to view a complete line of all products

Products by Industries:

Oil & Gas and Construction:

| | | |
|-----------|-------------------|----------------|
| Seals | Hose | Seamless Pipes |
| Valves | Motors | Gaskets |
| Pumps | Tubing | Flanges |
| Cylinders | Structural steels | Gauges |

Marine: (Vessel Parts)

- Seals and Gaskets Ht 750 models
- Plate, lockup clutch internal splined
- Race Thrust Bearing
- Roller, stator, free wheel
- Bearer Assy Roller, Pump Assy
- Forward clutch housing and input shaft and forward
- Plate forward clutch external Tanged
- Plate forward clutch internal input shaft and forward
- Control valve assy
- Valve assy
- Governor assy
- Plate third clutch, internal splined
- Plate third clutch external tanged selective
